EDUCATION

Software Engineering Technology - Artificial Intelligence Advanced Diploma   Jan 2023 - Present

Centennial College, Toronto, ON   *GPA: 4.2/4.5 (A)*

Courses Include
- C# Programming | Web Application Development | Artificial Intelligence | Java Programming Software Systems Design | Unix/Linux OS | Web Interface Design | Client-Side Development

Diploma in Information Technology   April 2022

Kwara State College of Studies, Kwara, Nigeria

PROJECTS

Multi-Purpose App Explorer   https://github.com/y-adeleke/iluxesquare

- Developed a web application integrating various APIs to showcase multiple functionalities. Implemented a secure login (Firebase Auth) and user- friendly features like "Order Food" with real-time cart total. Designed "Flight Booking" UI and "View Homes" real estate section, utilizing React and use Context API for enhanced user experience, ensuring responsiveness across devices.

City Information App   https://github.com/y-adeleke/iluxecityInfo
- Created with vanilla JavaScript using MVC pattern. Features automatic location detection or city search, displaying weather information and country details using API. Enabled bookmarking and ensured responsive design for a seamless user experience.
